

Mohammad Sajad Shekhian

Front-End Developer

Iran, Mashhad 09031664167    

ABOUT

Hi, I'm Mohammad Sajad Shekhian, a Front-End Developer focused on designing and building modern user interfaces. I have around 6 years of professional experience working with React and Next.js, with hands-on experience building real-world production systems. My experience includes UI development, Multi-Tenant architectures, API integration, performance optimization, server-side debugging, and Desktop application development with Tauri.

SKILLS

Next.js · React · TypeScript · JavaScript · Tailwind CSS · HTML/CSS · GSAP · Zustand · React Query · Tauri · Rust · PostgreSQL · API Routes · Git · WebSocket · Multi-Tenant
